

Quad Update:

Our apologies to the folks from the North Peace but we were unable to receive permission to use the train trestle as a crossing point. Everyone is encouraged to travel to Chetwynd to participate in the day's events. Check out the Event Schedule on this site.

The Westwind Motel is offering a reduced rate to rally participants at \$109/night, ten dollars lower than the corporate rate. 250-788-3344 – Pat Trudeau

Boaters:

Anyone wishing to join by boat and wishes a ride from this side, let us know and we will try to accommodate your wishes.

ROAD CONDITIONS PERMITTING: The Opening Ceremonies are planned for the top of Taylor Field/Teko Pit Hill which is the end of the Jackfish Lake Road. Road Conditions will be checked on Friday morning and an update will be posted. Should the road be too greasy to travel to the other end, the Opening Ceremonies will be held at the end of the highway maintained section of the road at the junction of the Moberly River/North Monias Road and South Monias Road. All other plans are according to the event schedule posted on this site. Safe travel!
